Sir,

In submitting herewith copy of letter No.N-2 1656/27-28 dated the 20th December 1927 from the Deputy Commissioner, Kadur District, recommending for reasons given therein that S.No.67 measuring 1 acre and 3 guntas and assessed at Rs.0/- with a jodi of Rs.3-13-0 of Veerasagara village in the Gubbi Taluk may be confirmed as inam to Sri Venkataramanaswami temple at Sampige, I have the honour to state that this survey number bore S.No.53 of Veerasagara Amrutha Mahal village and was being enjoyed as temple inam even prior to the original Survey settlement. When in 1883-84 the Amrutha Mahal village was split up and the lands comprised therein were distributed between Veerasagara village and Sampige village, the survey number in question was added on to the former village and it continued to be recognized as temple inam in the Faisal Fatrika of 1885 of Veerasagara village and the Khethar Fatrika of 1888-90 even though no mention had been made of it either in the Quit-rent or the Khalsat register. Prior to the Re-Survey Settlement of the Taluk in 1922, a jodi of Rs.3-13-0 was being levied on this S.No. and after the revision Settlement only cesses are stated to be recovered vide Shanbhog's remark dated 12th April 1927 in the enclosed records. The villagers as also the Shanbhogs of the village have deposed that the S.No. in question is long in the enjoyment of the temple as inam and pray that it may be recognised as such. The Survey Superintendent who was consulted by the Deputy Commissioner has stated that ------ sanction of Government may be obtained for recognizing it as temple inam in the Survey records.

Letter No.N-2-1330/27-28 dated 20th December 1927 from the [illegible] Commissioner, Tumkur District to Mudral Corporation [illegible].

"I have the honor to state that S.No.57/11o, I acre and [illegible] in extent and assessed at Rs.6/- during the Resurvey [illegible] of Veerasagara, Gubbi Taluk, is reported by the Amildar to have been shown in the village Accounts as "Inam"endowed to Sri Venkataramanaswami Temple at Sampige. During the Resurvey settlement in 1922, the Survey Superintendent has remarked on the Inamdar Patrika that as S.No.57/11o does not find a place either in the Jodi-rent or Inamdar registers or in the Jodidar Patrika prepared at the time of the original Survey Settlement, the matter should be separately investigated and disposed of.

2. The villagers in their Mahazar dated 25th June 1936 and the Archaks of the temple in their statement dated 25th June 1936 state that this land is being enjoyed as Inam to the said temple from time immemorial and they want it to be continued as such. The archaks say that no reference, such as title-deed etc., is forthcoming with them. The Shanbhogue's statement dated 4th September 1923 and 12th April 1927 and the Amildar's reports dated 11th September 1923 and 16th April 1927 go to show that this land originally belonged to Veerasagara Amanikere village as temple inam S.No.53 and that when the lands of Veerasagara Amanikere were transferred to Veerasagara and Sampige villages in 1863-64, this S.No.53 was added on to Veerasagara village as S.No.11o and subsequently in the Resurvey it was shown as S.No.57- Both in the Jodidar Patrika of 1882-83 of Veerasagara Amanikere and the Fisal Patrika of 1884 of ----- Veerasagara village as also in the Khetwar Patrika of 1889-90, the land in question is shown as Inam. Formerly, a Jodi of Rs.3-13-0 for the Veerasagara Amanikere and Rs.7-9-0 for Sampige or a total sum of Rs.11-3- was being levied and at present even according to the Re-survey the same amount of Rs.11-6-0 is being recovered.

3. In these circumstances, the Amildar is of opinion that S.No.57 has all along been the temple Inam in question, and he recommends that it may be confirmed and continued as such. The Sub Division Officer also supports the Amildar's recommendation. Since the Survey Superintendent, to whom a reference had been made in the matter states that as the land in question has not been confirmed as temple Inam during the -- Inam Settlement of 1870, sanction of Government may be obtained in the matter of continuing it as temple inam, I recommend that you may be ---
